

ATS Partner Evaluation Process

Discovery

There are 100+ ATS' in the market.
We talked to over 41 ATS providers
used by JobCloud clients.

Pre-selection #2

We had software demo's and scored the ATS
based on typical client's needs. Based on this, **we**
selected 7 ATS that meet the typical needs of
Swiss employers & recruitment agencies.

Final Selection

4 ATS providers are ultimately
recommended to JobCloud customers.

Pre-selection #1

12 ATS were selected, because they
focus on the Swiss market and provide
their services in French,
German and English.

Assessments

JobCloud's subject matter experts
assessed: **IT Security, Data privacy,**
Commercial terms.
